6. Fill in the Captcha to prove you're human, not a machine!
7. Pick sources that interest you (more on this below).
8. **Search for Friends**, and follow them.

Choosing a Username: Tips and Tricks

- Your username is the name your followers use when sending @replies, direct messages, or Retweets.
- It will also form the URL of your home timeline. We've provided a few available suggestions, but feel free to choose your own.
- **Please note:** You can [change your username](#) in your account settings at any time, as long as the new username is not in use.
- Usernames must be fewer than 15 characters in length, and cannot contain 'admin' or 'twitter' in order to avoid brand confusion.

Tip: Entering Your Email

We use this to confirm your account before you can finish the signup process. Be sure to enter an email address that you actively use. Emails can only be tied to one Twitter account at a time in our system.

It's your turn.
